HISTORY

This collection is from the descendents of the CHRISTENSEN family that emigrated from North Abild, Denmark on the western coast of that nation. Christian Peter CHRISTENSEN came to America in 1872 according to his obituary, returning to his homeland to marry Elena Marie SCHMIDT in 1878. The couple and their daughter Helen arrived in Iowa in about 1881. By 1900 their family had grown to include children Alvina and Carl. The family remained in Davenport, Iowa. Christian Peter died in 1923 and Elena in 1927. Both are buried in Fairmount cemetery.

Carl [the son of Christian Peter and Elena] became a carpenter and married Meta WISCH in Clinton, IA. Many of the items in the collection are tied to him. Alvina never married. She was a seamstress who worked for Harned & Von Maur and Robert Krause, as did Meta according to the 1916 Davenport city directory.

Helen married Mr. George SCOTT October 6, 1909. The series of postcards in the collection correspond to the time she and her husband traveled south for his work and lived in Virginia. Mr. Scott died in Lynchburg, VA in August 1911 and his body was brought back to Davenport and buried at Fairmount under the auspices of the Fraternal Order of Eagles. Helen went on to work for the Clarissa C. Cook Home for the Friendless. Helen died in 1961. No obituary was located for her.
